

Letting the Kingdom Come

*Discovering a new way of experiencing the presence of God
for yourself and for other people.*

Saturday 2nd December 2017

Rev John Ryeland, the Director of the **Christian Healing Mission**
(www.healingmission.org), with his wife Gillian will be leading a day on this theme.

Rev John Ryeland longs for every person to discover the truth that Jesus is always present with them, not as a silent figure watching from on high but as a personal, active presence who transforms lives and situations. As he speaks about this in churches and groups up and down the country, people encounter Jesus in a new way, lives and situations are transformed, and frequently healing takes place.
